

# PPS KEEPSAFE™ ALARM SERIES

Innovative New  
Keepsafe™  
Alarming Protection!

Provides additional layer of in-store security by alarming with attempted removal

Able to protect large and odd-shaped items

The PPS Keepsafe™ Alarm Series is designed to provide additional layers of security of high-shrink, not easily protected products that require more than the traditional application of safers and tags. Each device integrates with existing RF or AM EAS systems and provides 1, 2 or 3-alarm protection. The Keepsafe™ Alarm Series provides the added benefit of knowing when and where someone is attempting to defeat your security solutions and steal your products.

Customer can easily view and read contents of all labels

Allows for open merchandising and easy customer access

Alarm pins and lanyard integrate with Titan H-tag

2-Alarm Pin w/ Lanyard

3-Alarm Puck

3-Alarm Pin

1-Alarm Pin

360 Web

Reusable and easy to use

Fits easily into existing retail shelving and cases

## General Use and Application

- Large boxed goods
- High-end products
- High-shrink items
- Products that are not easily protected with traditional tags, safers or bottle protection
- Integrates with existing RF and AM EAS systems
