SECURITY

SECURE & SAVE

Immediately find solutions to protect your product by scanning a UPC code in seconds.

VISIBILITY

SCAN & SEE

We are turning up the heat on shoplifters with our Shrink Tracker® heat map with real-time aggregated data by location that shows you where high theft is occurring and on which specific products or product types.

INTELLIGENCE

LOSS PREVENTION INSIGHTS

- Sync and Connect with LPF Professionals.
- Stay in the know, it's where you grow.
