

ANTI-PEEL BRANDED OVAL "THEFT BUSTER"

TO APPLY:

1. Carefully remove oval from roll

2. Carefully place oval evenly over the UPC

3. On smaller packages, wrap the extra material around the package

4. Oval can also be applied across opening to prevent contents from being removed

5. Smooth overlay on all sides to ensure proper adhesion.

Note: Adhesive takes 24 hours to fully cure and provide maximum protection

Attempted removal of the oval will cause it to tear wherever it is peeled. It cannot be removed without causing damage to the package

Tagging Guidelines

- Instruction sheets for application are included in each carton.

Anti-Peel Branded Oval
"Theft Buster"

The label is made using a destructible material with an anti-peel adhesive.

Attempts to remove the label will cause it to tear everywhere it is peeled. The adhesive prevents it from being removed without damage to the package

PLEASE APPLY TO NAME BRAND HEALTH AIDS, BEAUTY AIDS, BODY WASH, SOAP, LIQUID LAUNDRY DETERGENT AND PODS, SHAKEABLE FABRIC SOFTENERS, AND AA & AAA BATTERIES,

Please ensure labels are secured to the package. To prevent defeat, adhesive requires 24 hours to cure. See instruction sheet.
